The Waffle is considered as one of the eldest desert in history of Greece and later it goes throughout Europe and other country. The two European country which is rapidly growing on waffles are Netherland and Belgium with Dutch waffles applying rectangular plates. America started celebrating National Waffles Day in August 2024.

Today we have huge range of waffles with variation of ranges and become part of traditional and most healthier breakfast.

Waffle n Boba

"yum yum waffles with my bubbles"

Our Mission

To provide delicious, affordable and high quality waffles with unique toppings and flavors.

Our Values

1. **Quality First**
